AGED VETERAN GAINS 11 POUNDS ON TANLAC

Mr. Dixon Says He Was So Weak and Nervous He Couldn't Write

SUFFERED FOR YEARS

Says He Thinks Tanlac Is "Finest Remedy in World" to Purify and Strengthen Anyone

Because of the hardship he was forced to endure during the four years he was a soldier for the United States army during the Civil War, Mr. B. F. Dixon, of Converse, S. C., R. F. D. No. 1, a suburb of Spartanburg, says, in a statement given August 7, that his health was undermined and that he never really enjoyed good health after the war ended.

Mr. Dixon was wounded six times by his then Southern enemies, several times seriously. But his health now is better than it has been in a long time, he says, and he gives Tanlac, 'the master medicine,' credit for bringing about the great change in his condition.

Mr. Dixon took just two bottles, he says, and he gained eleven pounds. His statement follows:

"I suffered particularly from stomach trouble. I had almost completely lost my appetite and I was just worn down. I am 80 years of age, and I had lost so much strength that I staggered when I walked. Also I had lost considerable weight and I was very nervous. My condition finally became so bad and my nerves were so disturbed that I could not sleep well and I would lie for hours in bed before I could get to sleep.

"Rheumatism also caused me considerable pain, and, besides these pains, I suffered considerably with crampy pains. My nerves were so bad and my strength so little that I could hardly write my name.

"I had suffered with these troubles for years—I don't know just how long. Finally, I heard about Tanlac and began to read the advertisements, and later I decided to take it.

"I bought the first bottle and it did not seem to help me much. The reason of that, I know, was because I was in such bad shape. But I had faith in it and bought the

second bottle, and that was the bottle which gave me wonderful results.

"The relief the two bottles of Tanlac gave me was as follows: I gained 11 pounds in weight, and that certainly is a lot for a man of 80 years to gain. Tanlac relieved my sleeplessness and I got to where I could sleep almost like a dead person. It gave me a great appetite and I was soon eating three square meals a day. It broke up my stomach trouble and I gained a great deal of strength. That shortness of breath left me, and my nerves were quieted and strengthened. I do not suffer with rheumatism now, either.

"I think Tanlac is the finest remedy in the world to renovate anyone's system and to build it up. Tanlac is good—there can't be any better, I think. I am certainly glad to recommend Tanlac, for it is an extraordinarily good medicine, and I know from my experience that it is good for all it is claimed to be. I have tried it and I know what it will do. If I ever need medicine again, I certainly will take more Tanlac."

Tanlac the master medicine, is sold exclusively at Harman Drug Co., Lexington; Burnette & Whetsell, New Brookland; Harris-Cain Drug Co., Batesburg; Crosson Drug Co., Leesville; Eargle's Drug Store, Chapin; Dr. W. T. Brooker, Swansea; Pelion Drug Co., Pelion; W. J. Cayce, Cayce; A. E. Leaphart, Gilbert; The Lorick Co., Irmo; W. H. Suber, Peak. Price, \$1.00 per bottle, straight.

Chronic Catarrh is Curable

Nothing is more distressing to the sufferer and his friends. Chronic catarrh is systemic—that is, it is present throughout the body, though it may manifest itself in a local ulceration.

Only a constitutional treatment will overcome systemic catarrh. Local treatments sometimes help the acute manifestations, but they cannot overcome the systemic disorder.

PERUNA Has Helped Thousands

It is a foe to catarrh. The voluntary testimony of thousands establishes that. Peruna benefits in a number of ways. Peruna builds up the digestion, restores the strength, and helps put the system in condition.

Peruna has special value in catarrh. It gives vitality to the system, restores tone to the membranes and enables these to perform their functions. In many cases its benefits begin at once, and it rarely fails when treatment is continued properly.

The Peruna Medical Department will be glad to assist you to overcome this disease. The doctor's advice is free. Don't delay treatment.

To The Democratic Voters of Lexington County

It is with sincere gratitude that I acknowledge the splendid vote given me for Senator in the primary election of September 12th. In return I pledge a conscientious service, the best I am capable of performing.

I am sensible of the responsibility involved and of the difficulty of the work to be done. Therefore I ask for the sympathy and cooperation of all the people to the end that my mistakes may be made as few as possible.

The success of all things pertaining to the uplift of our State, as well as the success of all things looking to the good of the human family as a whole, depends in a

great measure on unanimity of thought and action among the people involved. That the results of our efforts may be of the best let us all stand faithfully by our laws and the officers entrusted with their enforcement. Let us learn to love our fellowmen. Let us banish strife from among us and spread the mantle of charity about the frailties of others.

For the attainment of these ends I pledge my best efforts and pray our Heavenly Father to protect us and to guide us into those things which will result in our greatest good.

Respectfully,
E. C. Ridgell.
